MRS. McELROY HOME FROM TRIP ABROAD

Spent Six Months In Germany and Witnessed the Famous Passion Play at Oberammergau.

Mrs. Louisa McElroy who returned from a six months visit in Germany last week and has been with her daughter, Mrs. Oliver Hall at Novato, since her return, arrived in Sonoma Wednesday and has been warmly greeted by friends and neighbors. The traveler is looking exceedingly well and had a most wonderful trip through all the famous cities of Germany. She gave a most interesting account of her travels and a graphic description of the present hardship in the old country where factories are now closed down for lack of raw materials and where the depreciation and scarcity of money has left the people without means to buy anything. An American dollar is worth over 700 marks and Mrs. McElroy was able to buy many beautiful articles such as handmade laces and embroideries, linens, shawls, etc., at almost nothing. She brought back some beautiful presents to her daughters, Mrs. Hall and Mrs. Skinner which would have cost a small fortune in this country. A special permit from Berlin and much red tape was necessary to bring these gifts out of Germany. A large pure wool shawl cost Mrs. McElroy 75 cents in our money. Three elaborate pure linen luncheon sets, scalloped edge cloths and napkins to match cost $12 for the three. The hand work is exquisite and the linen the finest kind. Hand made Cluny pieces were bought for a mere song.

Mrs. McElroy describes conditions in Germany as pitiful and much worse than when she arrived. She declares that the tourists are the only ones who have money to spend but that they are not liked. The German people bear deep resentment toward Americans and she frequently heard the phrase "they gave us the last death stroke." She believes that war is still in the air, due to the enmity with France. The Germans regret the departure of the American soldier, of whom they speak well. They also

ORGANIZE MEN'S CLUB FOR SONOMA BETTERMENT

The get-together dinner at the Congregational church parlors Wednesday evening resulted in the organizing of a Men's Club, whose first effort will be directed toward the establishment of a public recreation park for children on the lot adjoining the Congregational property on Broadway.

The dinner was marked by a spirit of cordial co-operation and was attended by about 30 leading citizens. An excellent dinner and vocal numbers by Mr. Day was followed by the work of perfecting an organization. F. Edrington was named president, Will Clewe vice president and Lyle Campbell secretary-treasurer. Prof. L. H. Golton heads the membership and program committee.

SONOMA VISTA CLUB'S ANNUAL "AT HOME"

The second annual "at home" party of the Sonoma Vista Improvement Club will be held on Saturday evening, Nov. 25th. There will be whist, dancing and fine prizes, including turkeys. The usual good refreshments will also be served by the ladies of the Club.

The Club has reduced its indebtedness from $1000 to $154 and contemplates many improvements during the coming year.

The officers are Steve Meek, president; F. Fergonia, vice president; F. Steurmer, treasurer; S. Bosserman, secretary; J. Offerman, sergeant-at-arms.

ELKO RESIDENTS LOCATE IN SONOMA

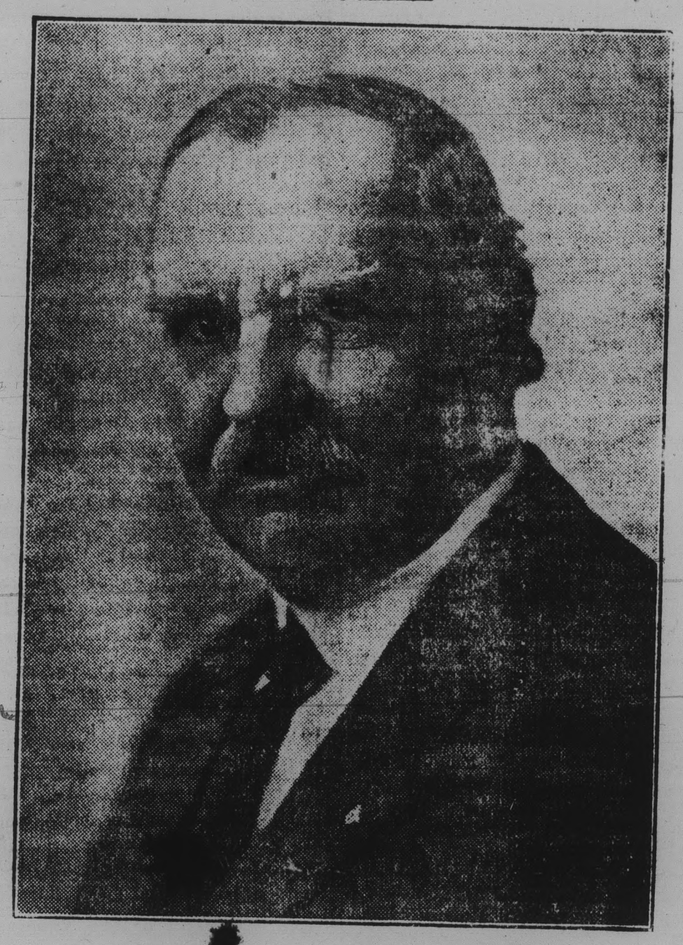
Mr. and Mrs. Emilio Dotta of Elko, Nev., have purchased the Keifer place and will make Sonoma their future home. They were accompanied by Mr. and Mrs. Dave Dotta, who saw them comfortably settled. In commenting on the departure of Mr. and Mrs. Dotta from Nevada, the Elko newspaper said:

"Elko is indeed unfortunate in losing this estimable couple, who have been among the pioneer builders of this community, but certainly California has profited by Elko's loss."

The newcomers are relatives of Mrs. Charles Stornetti.

Richardson Carries State and County

Valley Gave Senator Johnson and Judge Seawell Handsome Majority. Louise Clark and Hoke Smith Lead Here.



FRIEND W. RICHARDSON

Sonoma Valley went to the polls Tuesday and helped pile up the big Republican majority which has resulted in the election of Friend William Richardson by a majority of over 150,000, and Senator Hiram Johnson by 400,000, the greatest vote of his career. To Judge Emmet Seawell, admirers in the valley accorded a vote of 1122, a majority over Kerrigan of 622 votes.

Louise Clark for county superintendent of schools beat the incumbent, Ben Ballard, in local precincts 133 votes. Assessor Hoke Smith was victor here over George Mason of Healdsburg by 253 votes.

The gubernatorial contest between Friend W. Richardson and Woolwine was exceedingly close in Sonoma Valley, the wine and beer promises of the Democrat evidently being grasped as a straw by the vineyardists anxious for relief from present conditions. The election coming right at vintage time, when the grape growers find themselves confronted with tons of grapes which could only be utilized for wine made Woolwine and his wet plank a formidable combination. In addition to the vineyard vote, the State Home vote went to Woolwine, West Glen Ellen giving the Democrat a majority of 34 votes.

Totals in Sonoma Valley, however, reveal just three votes difference between the victorious Republican candidate and his rival.

The county superintendent fight was spirited. School teachers and trustees in most of the districts actively campaigned up to the last for the incumbent, Ben Ballard. Pencils for the write-in candidate were distributed and much literature was handed out by both sides. Ballard polled a big vote in Sonoma No. 1 and in El Verano, while Miss Clark carried the Glen Ellen precincts and also San Luis. Her majority in the county will approximate 3000.

The prohibition amendment was 471 for, and 780 against.

Mrs. G. Stickel has returned from Oregon and expects to go to Canada for the winter. She is visiting her son, George, at his pretty new ungalow in Caliente.

S. F. AFFAIR FOR SONOMA CHURCH GRAND SUCCESS

The whist party and dansant given on Friday night of last week by San Francisco friends of Rev. J. F. Byrne to assist in the rebuilding of St. Francis church, Sonoma, was a wonderful success.

Over 200 valuable prizes were awarded whist players, including a beautiful mah-jongg set, and a number of turkeys. The Misses May and Kathleen Deasy assisted by 50 girls from Dolores Institute, Y. L. I., punched the scores for the whist game.

The famous Agnetian Orchestra dispensed the latest jazz music for the dansant. James O'Gara was in charge of the floor committee, assisted by the members of Phil Sheridan Post No. 72, of the Y. M. I.

A special balcony was reserved for demonstration of the latest fad, the mah-jongg game, which was taught to those desiring instruction on that evening, for $1.00. Mrs. Lillian Castle, Mrs. Burness and Mrs. Michels acted as instructors.

The Mah-Jongg Blues was sung and danced by the Misses Bernice and Constance Deasy.

NEW PAINT AND ELECTRIC SIGN FOR DRUG FIRM

The painters and decorators, under William Downey, of the firm of Muller & Downey, have completed an attractive job at the Corner Drug Store where a real Owl yellow front now distinguishes this place of business. On the interior Mr. Lambert chose a color scheme of black and white, which is most effective. The shelving and new show cases are outlined in the striking combination, while the ceiling is moire.

A handsome electric sign in colors will be delivered to Mr. Lambert about Nov. 15th and will further add to the up-to-date appearance, not only of the store, but of our city.

CORDILL KILLED BY FALLING TIMBER

L. Cordill, whose death was reported last week, was the victim of an accident when a falling timber struck him on the head, crushing his skull. The accident occurred at a cold storage plant in the course of construction at Brawley. He died five minutes after being taken to a hospital.

ARMISTICE DAY TO BE CELEBRATED TONIGHT

Judge Rolfe Thompson To Give Address at O. E. S. Affair. Native Sons To Dance at Glen Ellen.

Sonoma Valley will observe Armstice Day with two events tonight.

The Eastern Star will give a dance at Union Hall which will be decorated in the national colors and where Judge R. L. Thompson of Santa Rosa will give a short address with Armstice Day as his theme. Judge Thompson's talent as an orator is too well known to remind Sonoma folks that a genuine treat is in store for those who attend the Eastern Star gathering and have the opportunity of listening to this distinguished speaker. Several well chosen musical numbers will be on the program between dances. Excellent music has been provided.

At Glen Ellen, the Native Sons Parlor, of which Charles Pagani is president, will celebrate Armistice Day with a grand ball at the Mervyn Hotel. The Harvard Orchestra, so popular in Sonoma Valley, will furnish the music and supper will be served at midnight.

D. COLLI HAS MANY BABY CHICK ORDERS

The accredited hatchery of D. Colli near Vineburg will hatch its first baby chicks about Feb. 1st, and is booked clear up to April 1st with orders. Mr. Colli, who has the latest type incubators and is conforming to all the requirements of the Accredited Hatcheries with which he is affiliated, contmplates a big season.

The capacity of his hatchery at the present time is 6000.

STEVE GRIFFITH SELLS NEW CHEVROLET CAR

Steve Griffith, proprietor of the Palace Garage, is the agent for the beautiful new line of Chevrolet cars. The late models are praised by all judges of good cars, who declare there is nothing better or handsomer for the money. Griffith reports orders brisk, including a handsome touring car for Otto Dresel.

Miss Young passed through here from Sonoma Monday, enroute to Berkeley.

Miss Louise Turner of Sonoma Vista has returned after a pleasant visit in the bay cities.

N. Dal Pogetto, prominent Sonoma business man, was an S. P. passenger for Oakland Sunday.

Ken Weaver, Sonoma Valley's popular lumber merchant, motored to Healdsburg Tuesday.

Mrs. H. Craib of Eldridge is home this week attending to her mother, who is on the sick list.

William Wyatt of San Francisco was a Sunday visitor at his folks' residence in West El Verano.

Bill Dowdall and Clarence Chance bagged the limit of quail in the western foothills the first of the week.

Billy Dwyer, head agent at Benecia was in the Sonoma Valley Sunday, a guest of Deputy Sheriff Joe Ryan.

George Millerick, well known Schellville stockman, was in town election day looking over the political suitation.

George Gale, who holds a position with the S. P. at Visitacion, South San Francisco, was a home town visitor Sunday.

Dr. Russell Morris and family of Petaluma motored over from that place Sunday and spent the day at the Morris farm.

Jim McAndrews, assistant carpenter foreman, of the S. P. Company, was the guest of Glen Ellen relatives over the week end.

Harry Baines and Arthur Baines, well known El Verano spud kings, are busy this week supplying the natives with the famous Lakeville spuds.

State Drug Inspector Fletcher, with offices in San Francisco, was looking over the drug store supplies in the village stores the first of the week.

Dal Emparan, popular deputy assessor under Hoke Smith, nad Joe Small, of Sonoma, were in town on Wednesday looking over election returns.

Charles and Henry Danieli of San Francisco spent Sunday at the Danieli home here. Both boys are employees of the Winchester Rubber Company.

Joe Sorini, Sonoma capitalist, is shipping via the S. P. a number of carloads of vinegar this week. A crew men are busy pumping it into the large tank car.

Jules Unger, whaler, has returned from Point Barrow, looking hale and hearty and is receiving congratulations on his successful whaling cruise to the frozen north.

Walter Paulson, Sonoma butcher, and John Larsen, our village fisherman, spent Sunday at Napa bridge. These crack anglers brought to land the limit of bass and Mr. Larsen called at the writer's office Monday morning and left a 10 pound beauty for Archibald McKiver, for which we extend many thanks and hope that his power as a fisherman may never wane.

Rumor has it that one of our well known townsmen is about to dispose of his business here. The prospective buyer is a Vallejo man and the deal is being considered.

Henry Hiser, former Sonoma Valley Beau Brummel, now in the employ of the S. P. Company in San Francisco, was in town Saturday and paid his respects to the writer.

Mr. and Mrs. Al Rossi and daughter and Mrs. Phil Rossi have returned after a several days pleasure trip to Los Angeles. They were the guests of relatives while in the southern city.

We wonder how the Santa Rosa Press Democrat feels over Ballard's non-election. We always figured Senator Slater a wise politician but our views have changed 100 per cent.

Jep Valente, Sonoma Valley bus owner who runs between Agua Caliente and San Rafael, was in town on Saturday leaving new time cards at the different business places. Jep states that business is good.

Miss M. Walsh, a charming and most beautiful young talented lady of San Francisco, accompanied by her brother-in-law and sister, were guests of the popular manager of the Agua Caliente Springs, Nick Gill, Sunday.

Fred Jenson, well known San Francisco business man who has recently purchased 24 acres on the Lewis tract is in town. Mr. Jenson will immediately start to improve his place, adding a new dwelling house to the property.

County Clerk W. W. Felt, Jr., and our popular deputy district attorney and lawyer of Santa Rosa, Jack Ford, passed through town Monday. Mr. Felt was delivering the election supplies to the [illegible] throughout the valley.

Paul Vannucchi of San Francisco was in Verano the first of the week looking over property interests. Paul's famous international hound won a race at San Pablo last week and the owner is delighted with his canine's future.

Another lumber company is considering embarking in the Sonoma Valley. A representative of the company was in town Monday telling the writer that it was the intention of his company to either buy or start a new yard in these parts.

Walter Murphy, editor of the Sonoma Index-Tribune, and John Mohr, newly elected constable, were in town Tuesday. Murphy was all smiles over the election returns, while our new police chief carries his new honors with class and dignity.

Supporters of our popular county assessor, Hoke Smith, gave him a handsome majority over his opponent, George Mason. Smith is popular here and the writer extends his congratulations to the incumbent. The vote in El Verano was: Smith, 117; Mason, 56.

William Haven and Howard Knight Sonoma disciples of the late Isaac Walton, at Napa bridge last Sunday landed the limit of bass. These fish were the best catch of beauties the writer has looked at and ranged from 10 to 15 pounds. The boys used sardines for bait and the stripped bass were running good.

El Verano on Wednesday, following the election, was like a graveyard. The Ballard write-inners secreted themselves in places unknown and their boldness of pre-election days was not longer in evidence. These voters all meant well enough and we hope that they may be more successful in future campaigns.

Lost, strayed or stolen. A. Thomalson, who blew into this town some weeks ago and was caretaker of the late Bruns estate, deserted his wife at Sacramento last week. Thomalson weighed about 240 pounds, stood 7 feet high and was a perfect specimen of manhood. A warrant has been sworn out by the jilted one, who craves vengeance on her good looking husband. We don't blame her, for partners like this bird are hard to find.

The election is over. We have won a victory that is a credit to the supporters of Miss Clark throughout Sonoma county. The Ballard supporters in this precinct continued their mud slinging until the last vote was cast Tuesday evening. The staunch Clark supporters took no heed of the attackers and stood firm for the lady aspirant. The writer had forecasted this precinct as being in favor of Ballard, but at that, the popular Glen Ellen school teacher ran over 20 votes more than she received at the primaries. We congratulate you, Miss Louise Clark, on the great, square fight you made against the Ballard campaigners and wish you all the luck and success in the world during your term of office as superintendent of schools of Sonoma county.

ACTION DEFERRED ON STRAITS BRIDGE

Action on the applications of three companies for the privilege of bridging Carquinez strait, was deferred until Dec. 11th by the Contra Costa county supervisors Monday. Before the case comes up again the board will have investigated the financial condition of the companies seeking the franchise to determine which is best able to consummate the undertaking, members stated.

The three companies seeking the right are the Dillon's Point Development Company, the Rodeo-Vallejo Ferry Company and the San Francisco Transit Company. Each company was represented before the Board of Supervisors at the meeting Monday, and the three different plans for the location and construction of the straits bridge were explained.

George M. Rolph of the California-Hawaiian Sugar Refining Company, and Captain Charles W. Saunders of the Matson Navigation Company filed protests with the county board against the proposal of the Rodeo-Vallejo Ferry Company to establish the Contra Costa end of the bridge at Valona, adjacent to Crockett. They pointed out that it would be a menace to navigation on the bay. The Rodeo-Vallejo Company proposes to place the Solano county end of the bridge at Morrow's Cove.

The Dillon's Point Development Company and the San Francisco Transit Company propose to build the straits bridge from Eckley, above Crockett, in Contra Costa county, to Dillon's Point, in Solano county.

Daniel Ryan and M. R. Jones, attorneys, informed the supervisors that the directors of the Dillon's Point Company are Wiggington E. Creed, George McNear, Andrew Mahoney, E. M. Duffy and R. E. Queen. The company owns land near the proposed bridge terminals on both sides of the straits.—Oakland Tribune.

Mrs. Juliet E. Ross, wife of G. W. Ross of Boyes Springs, passed away at her home on Friday of last week. Mrs. Ross had just returned from Pennsylvania with her daughter, Mrs. F. C. Tanforan, and her death was a sad blow to the family so soon after the trip across the continent, where she had been enjoying a visit with relatives.

Besides her husband and daughter, Mrs. Tanforan, another daughter, Mrs. Mary Clay and a son, F. B. Ross, who is in the battery business here in Sonoma, survive deceased.

Interment was in Mountain cemetery Saturday, many lovely floral tributes marking the resting place of this beloved wife and mother.

PHILOSOPHY

Whatever else may happen,
Now that the world's gone dry,
The sailor still will have his port,
The farmer have his rye;
The cotton still has got its gin,
The sea coast has its bar,
And each of us will have a bier
No matter where we are.

CALIFORNIA'S NEW GOVERNOR

Governor-elect Friend W. Richardson merits the sincere congratulations of his thousands of admirers in California, for he has won his magnificent fight to rescue California from the tax burden under which she is struggling and he won the fight in as clean a contest as politics ever witnessed.

The calumny heaped upon him by Hearst bore all the earmarks of the kind of politics Hearst is capable of, but the monarch of the dailies proved to be the weekly newspaper, a factor in Richardson's campaign since its inception and an influence largely responsible for his election as the Governor-elect is proud to admit.

Mr. Richardson, with his even temper and quiet, determined manner, went into the fight to win, not to fight, and he cautioned all his supporters against caustic criticism of his rival or flare of temper at any mud which might be thrown from the enemy camp. He rose above all differences and stood for a united, solidified Republican party despite the effort of a few leaders to bring about a breach. He co-operated without conceding and today is free and untrammeled to carry out his promise of scrapping the political machine which has been working California to a frazzle these past several years. In place of this machine he will substitute an organization which can be relied upon to carry out his constructive program of economy and efficiency in State affairs. If there is good material in the old machine which is not warped and will co-ordinate with the new administration, Mr. Richardson may be able to use it to advantage where experience and technical knowledge are essential, but that is the only hope of those who would ally themselves with the Richardson regime.

In every department of the State there are great tasks ahead, the Highway Commission alone furnishing Mr. Richardson with a problem of real constructive nature. We have every confidence that he will put this work on the proper basis and see, about the first thing, that the cement trusts' fingers come out of the pie. This is just one problem which is aman-size job and the sort that our Governor-elect has been eager to tackle.

But why point out anything to Friend William Richardson. He knows just what he is about and knows better how to go about it than anyone in California. May his administration bring to our Golden State a progressive era shorn of the extravagance we have witnessed heretofore—a progressive era where expenditure is not progressing faster than anything else. All hail Friend William Richardson. Success and congratulation.

A FAITHFUL PUBLIC SERVANT COMES BACK

Sonoma Valley rejoices at the success of Blair Hart, the tried and true public official who once again is honored with a place on the Board of Supervisors of Sonoma County. After several years of private life, the first district's former representative, Mr. Hart, believing his experience and interest in public matters would be of value in the Second District, heeded the call of a large constituency and shied his hat into the political ring. Optimistic and unperturbed by the statement that the supervisorship was a thankless task with but meagre remuneration, Blair Hart, with his usual spirit of public service, offered to give his time and talent to the conduct of the business of his district. The incumbent, to all intents, was out of politics and no one wanted the job. It was conceded by the people of the Second District that they were most fortunate in having a man like Blair Hart willing to forego private life to take care of their interests. The unexpected happened. The incumbent changed his mind after the primaries and decided to be a write-in candidate. It mattered not a whit as Tuesday's figures show. Blair Hart came smiling through the campaign and is once again of the official family of Sonoma County and one of its most respected and beloved members. He has made good use of his time in the interim he has been off the Board and returns with a fresh perspective and valuable experience tosit in the important conferences on county matters,

Mr. Hart has the rare gift of diplomacy and was noted in former days for his ability to conciliate warring factions and bring harmony out of tense situations. As a conservor of public funds and careful advisor the people have the greatest faith in him and his district and all Sonoma County will rejoice at his return to public life.

MISS CLARK IS VICTOR IN SCHOOL FIGHT

The outcome of the contest for the school superintendency was no surprise to the average follower of political battles, particularly as the write-in method of electing a candidate seldom succeeds. Outside of school circles, where a determined and loyal stand was made to retain the incumbert, it was generally the sentiment that the entrance of the man into the fight after his losing battle at the primaries was evidence of poor sportsmanship. There was added to this a spirit of gallant response to the woman from whom the office was trying to be wrested and who needed backing in the position into which unexpected opposition had forced her.

The voters of Sonoma County had evident confidence in the lady as being up to the job, notwithstanding the admonition of school teachers and trustees.

The educators of our county were no doubt actuated by the best motives in making Mr. Ballard's fight but it was untimely. Their loyalty is of the sort that will make for the future well-being of our schools, for our teachers are sure to manifest the same spirit toward the head of Sonoma County's schools once they come under the new jurisdiction and are satisfied that political differences have been forgotten and a constructive program is the aim of the new superintendent harmony and co-operation build me straight o wo We believe the new regime will be constructive, for harmony and co-operation are due the voters and taxpayers of Sonoma County. We are proud of the schools of our county and it should be the aim of everyone connected with them to carry on and upbuild, submerging all personal considerations for the higher purpose of educational progress. This spirit will be the manifestation of true education and we know it will prevail.

L. S. SIMMONS IS MAKING IMPROVEMENTS

The L. S. Simmons drug store has greatly increased its floor space through the installing and arrangement of its new show cases and the moving of the rear partition. The interior will be newly painted in French gray and new linoleum of the mottled marble design is to be laid. Mr. Simmons is to put in a mission style ice cream booth with two compartments. He will also retain his special mezzanine floor ice cream parlor.

The Lovett bungalow adjoining the ball park at Boyes is rapidly nearing completion and will add much to the residence section of the Springs.

JULIUS POPPE, THE CHICKEN PICKER

Julius Poppe, one of the prosperous ranchers of the Glen Ellen section has been making a study of chickens for years, so recently decided that he knew all about selecting eggs for a successful hatch and concluded to make the world sit up and take notice of his scientific findings. A glib salesman once tried to sell Julius a sex indicator which would tell, when applied to an egg, whether the egg was fertile and whether it would produce a crow or a cackle. Julius told the salesman that he could tell pullet eggs from rooster eggs any day and didn't want any new-fangled contrivance to assist him.

Not long ago Mr. Poppe picked 13 perfect eggs (all positively pullet-appearing) and set them under a good natured hen. Every egg hatched in due time, just as Julius knew they would and he had every one listed as a prospective contributor to the world's egg basket, when something went wrong. "Everyone that lived developed combs and eventually crowed," said the Glen Ellen chicken man in telling the story.

"Of course, the pullets had to die," a neighbor interupted sympathetically.

"Pullets? I didn't hatch one pullet!" Julius confided as he divested a husky young fryer of his feathers. "I'm off that kind of chicken picking for life."

Mr. Poppe was an election officer here Tuesday in his voting precinct.

Chevrolet Superior Models

MORE than ever before the Chevrolet Motor Company has again emphasized its admitted leadership as producer of the world's lowest priced quality automobiles. The SUPERIOR Models at no higher prices than those of our preceding models, represent the most sensational values in modern economical transportation ever established. QUALITY has been still further improved by more artistic design and added equipment. ECONOMY has been still further increased by engineering refinements and greatly increased service facilities throughout the whole country. PRICES remain the same in spite of added equipment and more expensive construction which have materially increased values.

Unequaled In Style, Value, Economy

1923 SUPERIOR LINE CHEVROLET
FIVE PASSENGER TOURING

A glance at this Superior Touring Car shows why it stands in a quality class of its own—incomparable. Here is an automobile which anyone can be proud to own, because of its up-to-the-minute style, complete, modern engineering, and the lowest operating costs of any 5-passenger automobile made.

$663

1923 SUPERIOR LINE CHEVROLET
TWO-PASSENGER ROADSTER

All these advantages apply with added force to the Superior Roadster, which, due to reduced passenger capacity, develops still lower mileage costs. No need to waste space with fulsome selling arguments. The American public knows automobile values. The spontaneous demand for the remarkable cars will tax even our greatly enlarged productive facilities.

$642

1923 SUPERIOR LINE CHEVROLET
TWO-PASSENGER UTILITY COUPE

The Superior Utility Coupe is bound to surpass the magnificent sales record of its 1922 predecessor. This is the world's lowest priced quality closed car, and far outdistances all competition in single seat closed automobiles.

$877

1923 SUPERIOR LINE CHEVROLET
FIVE PASSENGER SEDAN

The Superior Sedan, like our preceding Sedan, is the outstanding world leader in the all-year type of family car. Chevrolet has led the automobile world in the pronounced shift to closed cars and our five passenger sedan has been the chief reason. At no time during 1922 after the first general distribution of the Sedan, were we able to keep pace with our orders. With this Superior Model, improved in design, construction and added equipment, an even greater demand is anticipated that will maintain our position of leadership in the production of closed cars with Fisher bodies.

$1065

1923 SUPERIOR LINE CHEVROLET
SEDANETTE

The Superior Sedanette is a new member of our line destined, we are confident, to achieve great popularity. It is designed especially for country club, social, shopping and general utility purposes, and as an extra car appealing especially to women. The trunk at rear is part of the regular equipment.

MRS. McELROY HOME FROM TRIP ABROAD

praise the American camps as conducted during the war. Widows and mourning are everywhere in evidence and actual poverty is on all sides, declares the traveler. She says, so called relief funds collected for the poor people there never get to the people and advises individual, direct help where it is to be given.

Mrs. McElroy made her headquarters at Salzgetter, with her sister and family, and from there traveled to all points of interest. She visited Oker, Goslan, where she took in the 1000th jubilee of this ancient city; Hildesheim, with the beautiful old castle, Braunschweig, the Hartz mountains and their famous resorts; Potsdam, where the Kaiserin lies in a stately mausoleum, constantly decorated with fresh flowers. Kosthal, Munchen, Hannover, Bremen, Hamberg etc. In Duderstadt she visited relatives of George Breitenbach, who are in the haberdashery business there, and in Berlin called on a brother of Mrs. F. Helberg of Schellville.

Mrs. McElroy says the late Kaiserin was much beloved and the people there deeply resent the remarriage of the former Kaiser. All marble statues and memorials to kaisers and kings are being removed from the public parks in accordance with the edict of the new government.

The finest experience of the Sonoma lady's trip abroad was the visit to Oberammergau where she witnessed the marvelous Passion Play with its cast of 2000, and its inspiring prologue. The play began at 8:00 a. m. and lasted until 6:00 p. m. with two hour intermission. Six thousand people attended it. A former Sonoma High School teacher, Miss Johnson was there but did not know of Mrs. McElroy's presence in the vast audience. A card from the teacher in Oberammergau came to Mrs. McElroy, addressed to Sonoma.

"There is no place like California and this county" declares the Sonoma traveler. "Our people here do not know the blessings they enjoy" Mrs. McElroy is happy to be back in the Valley of the Moon and for the present is stopping at the Amelia Bates home, having disposed of her own beautiful residence on Broadway just prior to her departure for Germany.

ARTICLE ON M. F. MULLEN IN S. P. BULLETIN

In the November number of the Southern Pacific Bulletin appears a picture of M. F. Mullen of El Verano, retired S. P. employee and pensioner of the company. Mr. Mullen is one of Sonoma Valley's leading citizens and a man of superior attainments. Every year he participates in the spike driving anniversary dinner given by the company at the Palace Hotel and is highly regarded by old timers and officials of the railroad. Here is the article concerning him in the Bulletin:

Among the many Southern Pacific pensioners whose period of activity did not end with being placed on the Honor Roll of railroad veterans, is M. F. Mullen, who was pensioned in 1910 as an agent-operator after 36 years, 7 months of service. He wishes to extend greetings to his old friends among the Southern Pacific pensioners. Since his retirement from active railroad work Mr. Mullen his built up a prosperous general merchandise business at El Verano, Cal., and writes that he expects to spend the remainder of his life in the Valley of the Moon, made famous by Jack London.

Mr. Mullen was born in Limerick City, Ireland, in 1853, and came to America in 1871, arriving in Boston the night the great fire broke out in that city. Early in 1873 he came to San Francisco via the Isthmus of Panama and entered the service of the Central Pacific as section hand at South Vallejo. Later he went to Woodland as assistant agent and three years afterwards was transferred as agent operator to Yolo where he remained for 13 years. The last 20 years of his railroad service were spent at El Verano.

Mr. Mullen's many friends among the Southern Pacific veterans will be glad to learn that he is enjoying good health and prosperity.

CLUB NOTES

We regret not to have had a larger attendance at the business meeting of the Woman's Club Friday, Nov. 3rd. A most interesting address was given by A. D. Lee of Arcata, Humboldt county, representing W. L. Miller, the president of the North of Bay Counties Association. His theme was Save the Redwoods. Many highly important facts and figures of local interest were given whereby the loss on one of the beauties of our state is menaced by commercial interests. No wealth can ever replace these wonderful forests, the delight and wonder of tourists and the pride of our Redwood Highway.

The usual card party will take place on Nov. 15th; committee, Mrs. George Lowell, Mrs. Ralph Hotz and Mrs. Nell Clements, which insures the success of the party.

Two new ladies were declared members of the Club, Mrs. C. C. Cowgill and Mrs. Morton.

On Nov. 21st, the Sonoma Valley Woman's Club will entertain the Petaluma Club at Petaluma and a highly interesting program will be rendered under the direction of Mrs. L. V. Emparan. Let as many of our members try to be present and show the true club spirit as can possibly arrange to do so.

GOOD BOY, KERRIGAN!

GORED TO DEATH BY ANGRY BULL

Achille Giacometti, aged 26 years and 7 months, was gored to death at a ranch in Eureka district, on the Sonoma mountains east of Petaluma at 3 o'clock Sunday afternoon, his death being almost instantaneous and the tragedy being witnessed by the sister-in-law of the young man, Mrs. L. Giacometti. The animal which killed its owner was a young thoroughbred, aged but 29 months, and although he always became vicious at the sight of women or children, had never become angered at the men about the place.

Giacometti's brother, Louis, his partner in what is known as the Clark ranch, about 10 miles from town, had driven the cows into the milking shed and Achille was trying to drive the bull into a corral, but every time the animal would near the gate he would back away.

The young man tried to prod him with a stick and failing to get him through the gate, approached to take hold of the ring in the animal's nose. As he stooped to take hold of the ring, the bull gave a vicious lunge forward and one prong of his sharp horns penetrated the man's abdomen. The bull gave his a toss and he landed on his back, some distance away, unconscious, the wound being the only mutilation of the body.

Mrs. L. Giacometti witnessed the tragedy from her doorstep and hastened to the barn and alarmed her husband and they hurried with the unconscious man to the Bettinelli farm some distance below on the mountain and Dr. S. Z. Peoples was hastily phoned for from that farm, and responded, but the injured man had died long before the doctor arrived. The brother states that he died while being carried down the mountain.

Deputy Coroner D. D. Parks removed the body to the Frank L. Blackburn funeral parlors and an inquest was held by Coroner Phillips at 11 o'clock Monday morning, the verdict being in accordance with the above facts.

Deceased was born in Switzerland in 1896 so had passed his 26th year. He leaves a mother in Switzerland and his brother here. He came here two years ago and was employed at the Cassini ranch. He and his brother recently bought the ranch on the mountain where the tragedy occurred and together were to conduct a poultry and dairy farm.—Petaluma Argus.

DODGE BROTHERS MOTOR CAR

The evenness of performance so often remarked in Dodge Brothers Motor Cars is due in no small part, to the thoroughness with which each unit is inspected during the process of manufacture and assembly.

A trained staff of 800 experts is employed in this work alone, and approximately 5285 individual inspections are made on each car.

So exacting and rigid are the standards applied to these inspections that the slightest variation either in workmanship or material is instantly discovered and rejected.

Dodge Brothers are almost over-scrupulous in their constant aim to make each car as sound and perfect as is humanly possible.
